OUR MAIN ACTIVITIES

TO REPRESENT

- Collect and review available business intelligence and provide advice on legal and policy issues related to enterprises, the business environment, and industrial relations.
- Promote and protect employers' rights, as well as promote activities related to industrial relations and sustainable development in Vietnam.
- Disseminate legal documents and provide legal advice on business operations.

TO GROW

- Organize training to develop human resources for businesses and associations, along with building managerial and operation capacity for entrepreneurs.
- Deliver consulting and support projects.
- Build and promote brands, together with boosting the reputation of goods, services, the business community and business environment in Vietnam.

TO PROMOTE

- Organize trade and investment promotion events including business-to-business (B2B) networking, seminars, conferences, domestic and overseas market survey missions, and trade fairs.
- Establish links with clients, and promote client referrals, providing intelligence and advice for businesses.
- Build a network of members, fostering connections and relations between members and the wider business community.
- Issue certificates of origin and certify commercial documents for export purposes.
